ORANGE COUNTY AMATEUR RADIO CLUB

P.O. BOX 95, ORANGE, CALIF. 92668

****MAY PROGRAM****

Come with us on a trip to "outer space". Our regular meeting will be a tour of the Military Affiliate Radio Service (MARS) station at El Toro Marine Base. They have graciously invited the club to see their new facility. This is a once in a lifetime opportunity to see how our tax dollars are being spent. We will meet in the parking lot of Mercury Savings & Loan at 7:30 P.M. SHARP!!!! We will leave the parking lot in caravan to El Toro. It is suggested if you have a H/T to bring it along and monitor 146.550 MHZ simplex just in case you can't read a map that will be provided.....

****MAY FAMILY GET TOGETHER****

Come join us on our first annual family pot luck picnic at Mile Square Park in Fountain Valley on Sunday May 20, 1984 at 1:00 P.M. Plan on tying on the "feed bag" at 2:00 P.M. This promises to be a "fun day" for everyone including the kids. More information will be provided after the MARS station tour.....

****JUNE PROGRAM****

Come to our annual and fabulous presentation of Field Day's past given by Ken, W6HHC. See our triumphs and goofs too... Bet you'll recognize some old faces and incidents. We're also going over our last minute plans for this Field Day too. Let's plan on getting back the council trophy this year. The rules have been changed somewhat so if you don't come you won't be in the know.....

The OCCARO meeting was held on May 8th. The Council holds its own contest on Field Day. In past years we have won this trophy 3 times, but it has been absent from the club's "hallowed halls" for a few years now. I have forwarded an application for this contest, so this year we will be back in the running among the other clubs in the Council. Also discussed was the booth for the Orange County Fair. This year our club is responsible for the set-up and operation of the OCCARO booth. Last meeting we had quite a few volunteers, but it is not too late to volunteer to set-up and/or man the booth. The fair goes from 11AM to 10PM July 6th thru 15th with set-up on July 4th & 5th. There is free admission and parking for those working the booth. If interested, call either myself or Al Watts(W6IBR).

Also heard at the meeting: South Orange ARC has an auction May 15th at 7PM at Great American S&L on El Toro RD; Volunteer Exam program should be in place in 6land by the end of the summer; And- Sept. 12th thru 14th is the Southwestern Ham-vention in Santa Maria, CA.

Is there any interest in a Tech/General class??? I think I have found a place to hold it starting in August. Contact me if interested.

That's It, 73's!

1. The board unanimously voted that members on the old membership list (1983) would receive no more copies of the RF after the May issue due to costs of publishing and mailing.
2. The pot luck picnic scheduled for May 20th. at Mile Square Park was discussed. This date was decided on as the following weekend was Memorial Day weekend.
3. The amount of \$150.00 was allocated for food and other needs for Field Day June 23 and 24.
4. The role of amateurs and the O.C.A.R.C. was discussed in detail. It is apparant the needs have changed greatly since the generator fund was started and the question now is does the club actually need a generator or can the funds be put to better use for the clubs participation in an emergency
